Supporting documents and printed literature furnished by the bidder may be in another language provided they are accompanied by an appropriate translation in English language and in such a case, for purpose of interpretation of the bid, the translation shall govern.

## 2. SCOPE OF WORK (Terms of Reference)

### 1.01 GOBAR-Dhan projects envisaged under SMB-G can be classified under broad models:

#### (i) Cluster model

Under this model, a cluster of households can be identified by the Gram Panchayats for the installation of household-level biogas plants. The biogas generated will be used by the households while the slurry will be collected and processed at a centrally agreed place. The DISTRICT GOBARDHAN CELL will ensure that the identified households use the biogas generated and sell the slurry to the implementing Agency/Agencies for further processing and conversion to bio- fertilizers/organic manure.

**Funding Source:** The various sources of funding such as New National Biogas and Organic Manure Programme (NNBOMP) of MNRE, SBM(G), 15<sup>th</sup> Finance Commission, MPLAD, MLALAD and other State schemes, etc., can be used for setting up of cluster units. Funding norms of NNBOMP will be followed. SBM-G will provide support to households that are a part of the cluster model.

#### (ii) Community model

Community-level biogas plants can be constructed for a group of minimums of 5-10 households. The waste will be collected from households and transported to the biogas plants while the biogas generated will be supplied to households/ restaurants/ institutions etc. The slurry can be used in agriculture/sold to farmers /converted to bio-fertilizers /organic manure.

**Funding source:** The various sources of funding such as NNBOMP, SBM-G), 15<sup>th</sup> Finance Commission, MPLAD, MLALAD and other State schemes can be used.

#### (iii) Commercial model

Under this model, large Bio-Gas/Compressed Bio-Gas (CBG) plants can be set up by Entrepreneurs / Cooperatives / “Gaushalas” / Dairies, etc., with an objective to generate a high volume of raw biogas on a commercial scale. The biogas is converted to CBG and can be sold to industries/ Oil Marketing Companies (OMCs) or directly through fuel dispensing units.

**Funding Source:** Large CBG plants are to be set up through self-financing. However, financing/assistance can be availed from the existing schemes of the Government of India.

### 1.02 PROJECT OBJECTIVES

- (i) To support villages safely manage their cattle and agricultural waste, and make the villages clean
- (ii) To support communities in converting cattle and organic waste into wealth using treatment systems
- (iii) To convert organic waste, especially cattle waste, to biogas and organic manure for use in rural areas

- (iv) To promote environmental sanitation and curb vector-borne diseases through effective disposal of waste in rural areas
- (v) The Project under this scheme should be self-sustainable

### **1.03 Duration of Engagement of Agency/Agencies**

- (i) The Agency/Agencies will be selected for a period of a minimum of 36 months or till the project end from the date of signing of the contract, Commencement period will be within 15 days from the date of the Contract. However, this empanelment is not a legal commitment by the SSBMG assuring engagements. SSBMG is only facilitating the implementing agencies (District Gobardhan Cell) with a list of organizations empaneled after scrutinizing the organizational, technical & financial capability.
- (ii) The selected agencies would contact by the District to process engagement with the Implementing bodies i.e., District Gobardhan Cell. After negotiations, a contract would be signed between the Agency/Agencies and entity specifying the actual scope of work and terms and conditions. The contract can be further extended with the mutual consent of both parties but on the same terms and conditions.
- (iii) SSBMG with its entities should not be held responsible for any kind of damage/loss /legal disputes in course of implementation of the assignment by the Agency/Agencies.
- (iv) If the performance of the Agency/Agencies is found unsatisfactory, or if any complaints (for corrupt or fraudulent practices or forgery) regarding the Agency/Agencies is received, the contract may be cancelled.

### **1.04 Detailed Scope of work**

Upon signing MoU, the Agency/Agencies will be responsible for creating a detailed project proposal in consultation with the concerned District Gobardhan Cell. The project proposal should detail out waste volume assessment, site selection, suitable technology options, Installation – setting up of unit, operation and maintenance till three years, plans and processes, processes of management of biogas and bio-slurry, options for viability gap funding, options for market linkages and project risks.

For detailed work under the Gobardhan scheme, interested agencies may visit the guidelines issued by the Ministry of Drinking Water & Sanitation, Govt. of India.

#### **The broad scope of work for Agency/Agencies / Firm under the GOBARDHAN Scheme are as below: -**

- (i) The Selected Agency/Agencies will prepare the DPR of the Biogas plant including integrated waste assessment, design and proposal of technology based on waste to energy concept.
- (ii) The Selected Agency/Agencies will also provide support to the state for the

technical and financial feasibility of the biogas plant to be used by DISTRICT GOBARDHAN CELL to fulfil SBM-G guidelines.

- (iii) The Selected Agency/Agencies will provide technical support for the feedstock calculation, technical know-how, sustainability factor and cost-benefit analysis of the Gobardhan Project.
- (iv) The Selected Agency/Agencies will give the hand holding/full support for the selection of suitable and sustainable technology setting up of unit based on survey/field report and approved by DISTRICT GOBARDHAN CELL of Biogas plant to Project Implementation Agency/Agencies (DISTRICT GOBARDHAN CELL).
- (v) The selection of technology/equipment should meet the Quality Standards of BIS (IS: 16087, 2013) so that there would be no adverse effect on the environment.
- (vi) The Agency/Agencies supply, installation, operation and Maintenance of Biogas Plant for the specified period.
- (vii) The selected implementing Agency/Agencies is responsible for creating a project proposal in consultation with the concern District (DISTRICT GOBARDHAN CELL). The project proposal shall detail out waste assessment, the technology proposed operational process, management of biogas and bio-slurry. The upkeep of the plant is part of the Agency/Agencies' responsibility. The project proposal must include a plan for the management of biogas and bio-slurry produced.
- (viii) The rollout of the Gobardhan unit is based upon a survey and feasibility report and approved by DISTRICT GOBARDHAN CELL.
- (ix) Equipment for the project should be specified as part of DPR, to be approved by DISTRICT GOBARDHAN CELL.
- (x) Sale of biogas either to the communities or too large scale consumers such as hotels, institutions, dairy farms, etc.
- (xi) The Selected Agency/Agencies is also expected to provide training to the manpower responsible for running and O&M of the plant
- (xii) The manpower for running and O&M will be provided by the Gram Panchayat

#### **1.05 Role of SSBMG**

- (i) Support in the field for the implementation of the project.
- (ii) Facilitate workstation space to Implementing Agency/Agencies at respective DISTRICT GOBARDHAN CELL.
- (iii) Review the progress of Implementing Agency/Agencies engagement.
- (iv) Facilitate training, capacity building and IEC activity as per requirement.
- (v) Facilitate certification, brand promotion, and product development strategy.

### **1.06 Role of District**

- (i) The District will be the nodal Agency for planning, implementation, monitoring and approval of Gobardhan projects.
- (ii) The District will have the flexibility to decide implementation mechanisms.
- (iii) District can take up model projects at District/Block level and cluster & community models at GP level
- (iv) In the case of cluster and community models at the GP level, the District will obtain the proposals from PIA, in consultation with concerned GPs.
- (v) Funds in the case of cluster and community model will be paid to the Agency/Agencies/organization for the implementation of the projects.
- (vi) The PIA will receive funds from District in an account/ledger opened for the Gobardhan project. The funds received for the implementation of Gobardhan will always be identifiable and will be subject to audit.
- (vii) Additional requirements of funds for the cluster and community projects at the District/Block/GP level can be met from other funding sources such as the 15<sup>th</sup> Finance Commission, MPLAD, MLALAD, CSR, etc.

### **1.07 Role of Gram Panchayat**

- (i) The GP has to identify the potential beneficiary for the household/cluster and community-level projects. It can work with Cooperatives, Milk Unions, Farmer Producer Organizations, SHGs, CBOs developed under DAY-NRLM, Private Entrepreneurs, etc., for the identification of beneficiaries.
- (ii) The GP will identify a suitable location for community projects through a Gram Sabha resolution.
- (iii) The GP will support PIA in preparing a project proposal, if required and submit the same to the District for approval before incorporating it in the GPDP.
- (iv) The project proposal will include the cost of planning, implementation operation and maintenance.
- (v) The GP will identify all the funding sources at the time of planning for convergence and monitor the implementation.
- (vi) The GP periodically received physical/file progress of PIA in consultation with the community.
- (vii) O&M will be the responsibility of the Agency/Agencies in consultation with the GP in the case of community projects and centralized management of slurry for cluster projects.
- (viii) The GP will explore the scope of the revenue generation model for the community project to make the project self-sustaining.

### **1.08 Reporting:**

DISTRICT GOBARDHAN CELL will be responsible for the support in the implementation of the Gobardhan project at the district level. After selection, Implementing Agency/Agencies will report to DISTRICT GOBARDHAN CELL and prepare the DPR and a copy of same will be shared with SSBMG.

### **1.09 Manpower Deployment:**

Agency/Agencies shall issue an appointment letter providing the details of their

personnel, within 15 days of the LOI /order placement. Only Indian Nationals should be appointed.

The Agency/Agencies shall submit details of all Project Manager/Project Coordinator & Project Executive (including Educational/ experience certificate, offer letter), before the commencement of work.

Any change/replacement in the same will be reported to SSBMG with due reason and the replacement will only be allowed with the persons having similar or higher qualification/experience.

### 3. Project Activity Timeline

#### a. Suggested Project Cycle

Following is the suggested project cycle for the implementation of GOBAR-DHAN. The project cycle is advisory in nature and implementers can combine activities and phases to fast track implementation of GOBAR-DHAN.

<b>Phases</b>	<b>Key Activities</b>	<b>Tentative Timeline</b>
<b>Inception Phase</b>	<p>Community to collectively undertake a situation analysis to identify:-</p> <ul style="list-style-type: none"> <li>Quantity of cattle dung waste and Agriculture waste in the village</li> <li>• Hotspots- where cattle waste/Agri. waste is currently piled in the village</li> <li>• Identify site(s) for construction of GOBAR-</li> </ul>	05 Days

	<p>Dhan unit</p> <ul style="list-style-type: none"> <li>• Agree on the use of gas and slurry in the village</li> <li>• Pass a resolution to make their village clean and convert cattle dung to biogas and manure</li> </ul>	
<b>Planning Phase</b>	<ul style="list-style-type: none"> <li>• DISTRICT GOBARDHAN CELL to identify the beneficiaries with the support of GPs/SHGs /FPOs/Milk Cooperatives/Milk Unions/private entrepreneurs/CBOs developed under DAY-NRLM/Agencies selected or empaneled by States /Districts.</li> <li>• Preparation of project plan document with the support of identified/empaneled agencies etc.</li> <li>• Identify masons/ barefoot technicians/ Engineers who would construct the biogas plants.</li> <li>• Seek approval for administrative and technical proposals from competent authorities.</li> <li>• O&amp;M plan should also be part of the project proposal.</li> <li>• Open a ledger in the existing Project account for receipt and management of funds for implementation of the Gobardhan project.</li> </ul>	10 days
<b>Implementation Phase</b>	<ul style="list-style-type: none"> <li>• Initiate construction of bio-gas plant based on approved project proposal</li> <li>• Ensure supervision of the construction of the biogas plant at each stage</li> <li>• Ensure timely completion and commissioning of GOBARDHAN unit</li> <li>• Train an identified set of local people for preventive and corrective maintenance of biogas Plant</li> </ul>	45 days
<b>Operation and Maintenance Phase</b>	<ul style="list-style-type: none"> <li>• Initiate payment and revenue generation mechanism as provided in the project proposal (payment for cow dung and slurry, collection of user charges, etc.)</li> <li>• Undertake regular preventive maintenance Dispose of/use slurry as agreed</li> </ul>	Continuous till 1 years

**b. Estimated/Suggested cost of Biogas Plants**

Estimated Cost of Biogas plants (Rate may vary according to location, construction material cost, model like Deenbandhu, KVIC, Janta etc.) as proposed by Department of Drinking Water & Sanitation, Ministry of Jal Shakti, Govt. of India.

Sr. No.	Plant Type	Capacity	Approximate Cost (Rs.)	Details / Remarks
1	Fixed Dome	100 Kg	2.75 lakh	This cost varies with location and different models
2	Fixed Dome	200 Kg	4.25 lakh	This cost varies with location and different models
3	Fixed Dome	300 Kg	7 lakh	This cost varies with location and different models
4	Fixed Dome	500 Kg	10 lakh	This cost varies with Location and different models
5	Fixed Dome	1000 kg	15 lakh	This cost varies with Location and different models
6	Fixed Dome	2000 Kg	30 lakh	This cost varies with Location and different models
DISTRICT GOBARDHAN CELL may decide upon type, size, capacity and model for the implementation of the Gobardhan project in the entire district, on the basis of funds available with the district in consultation with the Agency/Agencies.
